Before using, the user shall determine the suitability of the product(s) for its intended use(s), and the user shall assume all responsibility and risk in connection therewith.***

PRINSU ROOF RACK INSTALLATION GUIDE

WIND DEFLECTOR ATTACHMENT

STEPS

1. Install the wind deflector hardware as shown on the diagram on page 4. Thread the screws just barely into the T-Nuts to begin with.
2. Lay the wind deflector on a flat surface in the orientation shown above.
3. From one end start sliding the extrusion bar so that the T-Nuts feed into the channel.
4. Once everything is lined up properly they will slide right together.
5. Now with all the T-Nuts fed into the channel and the extrusion bar and wind deflector lined up flush at both ends, turn the assembly over and tighten the screws until the lock washers are fully compressed.
6. The wind deflector assembly can now be bolted to the roof rack.

*** WARNING: Neither the seller nor the manufacturer will be liable for any loss, damage, or injury directly or indirectly arising from the use of or inability to determine the use of these products. Before using, the user shall determine the suitability of the product(s) for its intended use(s), and the user shall assume all responsibility and risk in connection therewith.***

PRINSU ROOF RACK INSTALLATION GUIDE

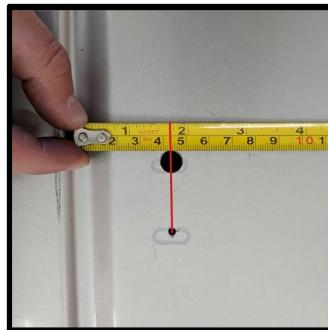

DRILLING INSTRUCTIONS

If you do not feel comfortable with the process outlined in this manual please seek professional installation assistance

Please read all instruction prior to beginning installation. Various steps may relate directly to previous or future parts of the installation process. Prinsu Design Studio is not liable for damages caused to your vehicle during the installation process

Measure back from the seam of the windshield as shown to a distance of $9\frac{1}{4}$ " and mark on the driver and passenger side

Next measure and compare the side to side distance From the channel as shown to make sure your rack sits square on the vehicle. our measurement was $1\frac{11}{16}$ "

Assemble the roof rack, but don't place crossbars over the mounting feet yet. They need to be exposed for upcoming steps

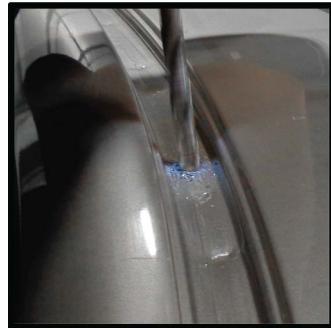

*** WARNING: Neither the seller nor the manufacturer will be liable for any loss, damage, or injury directly or indirectly arising from the use of or inability to determine the use of these products. Before using, the user shall determine the suitability of the product(s) for its intended use(s), and the user shall assume all responsibility and risk in connection therewith.***

PRINSU ROOF RACK INSTALLATION GUIDE

DRILLING INSTRUCTIONS

Place the roof rack on top of your vehicle aligning the front slots over your measured marks. If the rack looks well positioned you can now move on to drilling

Drill a hole on each side of the vehicle, these will act as guide holes for marking the remaining locations. Begin by drilling a small pilot hole before moving on to larger sizes or using a step bit

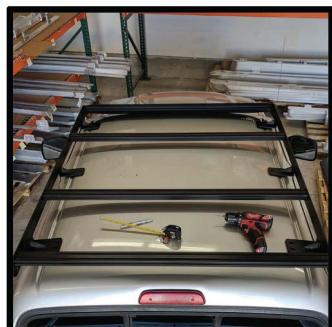

Work your way up to a 3/8" bit and then try to insert the plusnut. The recommended hole size from plusnut is .386"- .391"

For more information on fastening the plusnuts please refer to the PDF on our website labeled:
DRILLING AND PLUSNUT APPLICATIONS

Install the front plusnut on each side of the vehicle and lightly bolt in the roof rack. Visually inspect the fit. Once satisfied mark the remaining slots to be drilled

Fasten the remaining bolts and then attach the last crossbars over the mounting feet

PRINSU ROOF RACK INSTALLATION GUIDE

Your roof rack is now complete and ready to use!

As a precaution we recommend checking the connections after your first drive and periodically thereafter to insure the secure function of the roof rack

*** WARNING: Neither the seller nor the manufacturer will be liable for any loss, damage, or injury directly or indirectly arising from the use of or inability to determine the use of these products. Before using, the user shall determine the suitability of the product(s) for its intended use(s), and the user shall assume all responsibility and risk in connection therewith.***

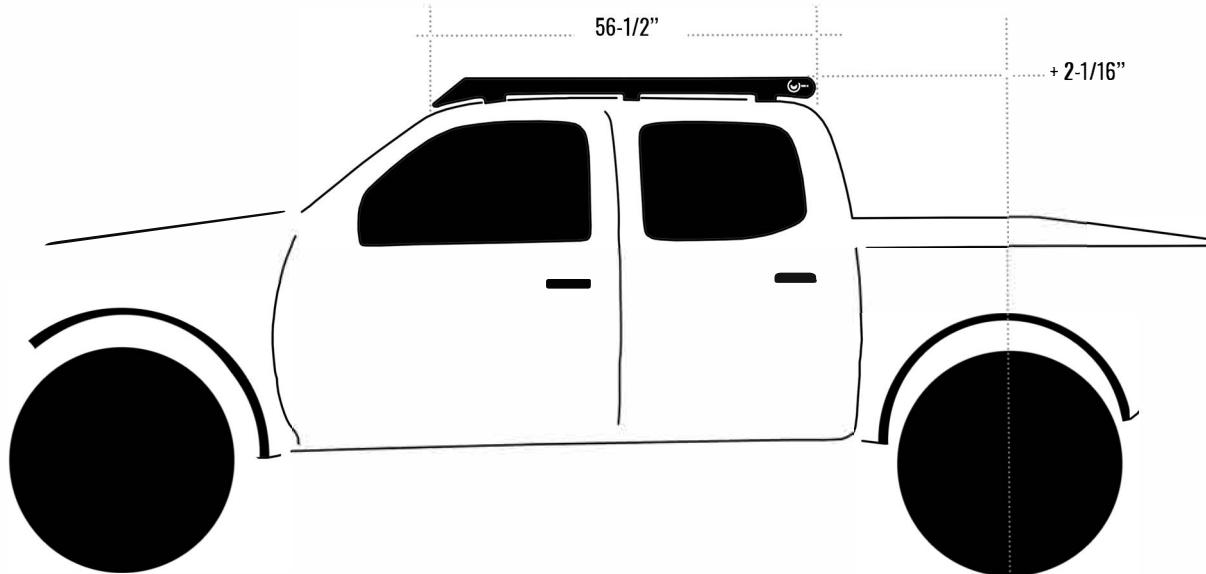

PRINSU ROOF RACK INSTALLATION GUIDE

WARRANTY

PRINSU DESIGN STUDIO will warranty all PRINSU DESIGN STUDIO manufactured parts for a LIFETIME of use. This limited Lifetime Warranty is effective for as long as the original retail purchaser owns the product. This warranty terminates when the original retail purchaser sells or otherwise transfers the product to any other person. Each manufactured product must be installed following PRINSU DESIGN STUDIO'S recommended fitment and installation procedures. Any customization or modification to the original product design, functionality, or use, either by said customer or by PRINSU DESIGN STUDIO voids all warranty eligibility. It is the sole discretion of CBI Offroad to determine warranty eligibility. Subject to the limitations and exclusions described in this warranty, PRINSU DESIGN STUDIO will remedy defects in materials or workmanship by repairing or replacing, at its option, a defective product without charge for parts. In addition, PRINSU DESIGN STUDIO may elect, at its option, not to repair or replace a defective product but rather issue to a purchaser a refund equal to the purchase price paid for the product or a credit to be used toward the purchase of a new PRINSU DESIGN STUDIO product. No warranty is given for defects caused by normal wear and tear, cosmetic rust, scratches, accidents, unlawful vehicle operation, products used for racing or competition, or modification of, or any types of repair of, a PRINSU DESIGN STUDIO manufactured product. The PRINSU DESIGN STUDIO Warranty does not include the powder coated finish. No warranty is given for defects resulting from conditions beyond PRINSU DESIGN STUDIO'S control including, but not limited to, misuse, neglect, overloading, improperly maintained or failure to assemble, mount or use the product in accordance with PRINSU DESIGN STUDIO'S written instructions or guidelines included with the product or implied use made available to the purchaser.

DISCLAIMER OF LIABILITY REPAIR OR REPLACEMENT OF A DEFECTIVE PRODUCT OR THE ISSUANCE OF A REFUND OR CREDIT (AS DETERMINED BY PRINSU DESIGN STUDIO) IS A PURCHASER'S EXCLUSIVE REMEDY UNDER THIS WARRANTY. DAMAGE TO A PURCHASER'S VEHICLE, CARGO AND/OR TO ANY OTHER PERSON OR PROPERTY IS EXCLUDED. THIS WARRANTY IS EXPRESSLY MADE IN LIEU OF ANY AND ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. PRINSU DESIGN STUDIO'S SOLE LIABILITY TO ANY PURCHASER IS LIMITED TO THE REMEDY SET FORTH ABOVE. IN NO EVENT WILL PRINSU DESIGN STUDIO BE LIABLE FOR ANY LOST PROFITS, LOST SALES, OR FOR ANY CONSEQUENTIAL, DIRECT, INDIRECT, INCIDENTAL, SPECIAL, EXEMPLARY, OR PUNITIVE DAMAGES OR FOR ANY OTHER DAMAGES OF ANY KIND OR NATURE.
